## LEADERSHIP ALERT: 5/9/22

## Inflation, Inflation, Inflation

Brothers and Sisters,

At a time when BIW and the Navy are expecting more from the workforce so we can recover schedule and increase to two (2) ships per year, we wanted to educate our members on our current pay scale. Other corporations have recognized the need to pay ALL their employees more due to the current labor market and inflation. BIW is demanding more while they increase production audits and discipline but ignore wages. Below is a list of necessities and the inflation rate on each category and also a list of enjoyment examples and the inflation rate on each category BIW needs to pay their employees more. We are falling further behind every week
