Community Services Committee Update

December 13th, 2019, was the last 50/50 drawing. Since then, the Community Services Committee has gone through many changes. The Pandemic is the biggest, as we have been unable to fundraise since. The committee members have also changed, and we have faced many obstacles. We now feel we can restart our bi-weekly 50/50 raffle. We need volunteers to sell tickets near the gates every other Thursday from 6 AM – 7 AM and 3 PM – 4 PM. We will provide protective gloves and face masks to keep everyone as safe as possible.

As a committee, we are also looking to partner with other organizations to increase our impact on the community. Part of our Preamble states that we are to *“Collaborate with community organizations with the purpose of producing a positive impact.”* As we go forward, we will be offering volunteer opportunities to Local S6 members.

We continue to support the Solidarity Harvest to provide meals for Thanksgiving to people in need. As always, we will organize and support the Annual Toys for Tots drive on the 1st Friday in December.

We look forward to becoming more active and seeing people through 50/50 sales soon, stay tuned for an announcement on the date for our return.

In Solidarity,

The Community Services Committee
