LEADERSHIP ALERT: 7/11/22 ARTICLE 51 ELECTRONIC VOTING

The Official Results of the Article 51 Vote are as shown below. We did not reach the 30 percent participation of the membership necessary to move forward with the contract review. We need to build our strength over this next year to be prepared for August 2023 Contract Negotiations. Although we are disappointed in our failed opportunity, we will never stop advocating for this membership and will continue to demand the respect you all deserve.
