Grievance Committee Update

A list of the issues taking priority at this time. This of course is not a complete list but nevertheless deserves special focus.

1. No LCAs and a record number of investigations. Why?
2. Record number of discharges. Why?
3. The company continues to distribute no-faults inconsistently. Why?
4. They've stonewalled our grievance process virtually bringing it to a standstill. Why?
5. Labor Relations now seems to be running the business. Why?
6. VP of Production resigns. Why?
7. Lastly, production is failing miserably. Again, Why?
